the kitchen collection 2013

There's so much more to a kitchen than cupboards and doors. More than a living room, it's the heart of your home. A place to cook, eat and be happy. Of memories, laughter, tears and more. A family space, unique place.

BA kitchens by Zurfiz and Bella, brimful of colour and textures. Those memories! Relaxing and inspiring. Everything from intense pools of glossy colour through to the most delicate shades that brighten and inspire even the darkest of days. Warm comforting, earthy tones and textures, the special grains of natural woodland colours breathe life in your home.

Our designers recognise this, because we listen to what our customers want. Choice, inspiration, colour a variety of designs. We deliver kitchens that complement and create space; using colour and textures to allow you to have the kitchen you've always wanted.

"Our waking life, and our growing years, were for the most part spent in the kitchen, and until we married, or ran away, it was the common room we shared." *Laurie Lee*
